<https://www.linkedin.com/in/micah-fluellen-014033>

As a Junior at Ohio University studying Interactive design and Social media with a focus in motion graphics, I am Multi-Disciplinarian who's fascinated by technology, fine arts, and UX/UI. I am always eager to learn new concepts and I am an exceptionally versatile worker. My background in visual communications makes me an excellent candidate for promotional, marketing, and production positions.
